MESSAGE from the Director of Advancement

Fellow Patriots,

The compassion, perseverance, and spirit displayed by the Archbishop Carroll Family was a sight to behold once again this past year. In the face of such uncertainty in the world around us, Archbishop Carroll High School remained a beacon of light and a source of strength for so many, and we have each of our 2,140 donors to thank. This Patriot Spirit was on full display during our Day of Giving in October as strongly as it was in the spring with The Patriot Promise Tuition Assistance Fund Drive, all during very

turbulent times in the world. Thanks to your selflessness and sacrifice, 2021-2022 saw many great achievements that could not have been made possible without your generous support for Archbishop Carroll High School.

BECAUSE OF YOU

- » Our students will grow their STEM knowledge in a new state-of-the-art Anatomy Lab and the new Dr. Alan & Mrs. Thurman Physics Lab on the first floor. This brings our new STEM Classroom spaces to six in the past two years.
- » A Memorial Garden, on the west end of campus, was assembled and is the new permanent home to remembrance stones for former faculty here at Archbishop Carroll that have passed away and a marble bench in honor of a former student. These are set in a new year-round landscaping arrangement to allow for serene reflection of items that were once located elsewhere on campus.
- » Our School Stage experienced a major renovation that included refinished flooring, new front curtains and rods, along with new background upgrades and replacement of the original bleachers. This will enhance our school performances and gymnasium viewing capabilities.
- » Our Campus Athletic Facilities upgrades continued with new Jump Pits for our Track & Field athletes and a new outfield fence for our Softball Field.
- » Vital infrastructure upgrades on campus continued, including stadium and gymnasium cameras to expand our athletic competition streaming capabilities in the future.
- » Much-needed financial assistance was provided through several hundred gifts of tuition assistance and 190 merit-based scholarships.
- » 12 new quality faculty and staff members were retained by offering a competitive salary.
- » Campus life was improved by providing cultural, social, and leadership opportunities for students.
- » Students were provided with a safe campus environment coming out of the COVID-19 Pandemic, taking full advantage of recent investments in technology and necessary educational resources.
- » More than \$955,000 was secured during the 2021-2022 school year from 2,140 alumni and friends, including 594 current students, surpassing last year's record of donors.
- » The future of Carroll High School looks great!

With Voices Ringing, In a Pledge of Loyalty...HAIL CARROLL!

MISSION AND PHILOSOPHY

MISSION

Archbishop Carroll High School is a welcoming Catholic community intentional in the holistic formation of its students for a life of virtue, academic excellence, and service to the common good.

PHILOSOPHY OF EDUCATION FOR ARCHBISHOP CARROLL HIGH SCHOOL

Archbishop Carroll High School is a Catholic, coeducational school located in the Archdiocese of Cincinnati. Influenced by the leadership and patriotism of the school's namesake, Archbishop John Carroll, competent and caring educators intentionally form a Catholic community with one another and with the young men and women they teach. Within this value system of Catholic beliefs, the educational process unfolds.

Charity unites us to God...There is nothing mean in charity, nothing arrogant. Charity knows no schism, does not rebel, does all things in concord. In charity all the elect of God have been made perfect.

– Pope St. Clement I

The community of Carroll strives to develop each student intellectually, physically, and spiritually. By providing a quality education, involving students in a variety of learning experiences, and fostering the ability to make responsible choices, we prepare students to meet their own needs and those of the society in which they live. To this end, Carroll provides a broad spectrum of course offerings, academic and spiritual guidance, and numerous opportunities for student development through service-oriented projects. Educators in our school promote total growth of students not only by what they teach but also by who they are. This role modeling, coupled with instructional excellence, is the heart of Carroll's program. Working in partnership with parents and community, we as a school, will endeavor to prepare students to be followers of Christ and seekers of knowledge.

CARROLL PATRIOT FUND

Thanks for your support of the 2021-2022 Carroll Patriot Fund and for your response to solicitation mailings, personal calls, social media pleas, Giving Day messages, and email appeals conducted to help fund the general operating budget of Archbishop Carroll High School. Of the **\$397,747** received this fiscal year for the Carroll Patriot Fund, **\$260,880** was unrestricted, used wherever most needed. Unrestricted funds are crucial to help pay teachers' salaries, maintain excellent academic and extracurricular programs, pay utilities and facility needs, and assist with tuition assistance. This ongoing support is key to the continuing operation of Archbishop Carroll High School, giving us the ability to offer the finest education possible to each and every student. The actual cost of education is approximately \$12,500 for one school year; tuition covers 80% of that cost. Unrestricted support from the Carroll Patriot Fund makes up that difference.

FOUNDATION FOR THE FUTURE CAPITAL CAMPAIGN VS. CARROLL PATRIOT FUND

WHAT IS THE DIFFERENCE?

Think of Archbishop Carroll High School as a large investment, like buying a house. You have to make payments on your mortgage, but you also need to pay to keep the lights on. In the world of fundraising, capital campaigns & endowments are like the long-term investment of mortgage payments, while the annual fund (known as the Carroll Patriot Fund) is like the immediate need to pay the utility bills.

ONE GREAT DAY OF GIVING RECAP

THANK YOU for helping to make October 21, 2021 **One Great Day** for Archbishop Carroll High School! Our entire community of alumni, faculty, staff, current parents, and even current students gave in overwhelming numbers in an attempt to double the impact of their gift to Archbishop Carroll High School. Together we united in Patriot Pride and raised a total of **\$325,239!** This included 97 first-time donors! The Class of 1980 was the top class in participation as well as in giving amount!

SAVE THE DATE: OCTOBER 20, 2022
One Great Day of Giving

KEEPING THE PATRIOT PROMISE AMIDST UNCERTAINTY

Archbishop Carroll High School remains committed to providing the best Catholic education at a reasonable cost. The Patriot Promise Tuition Assistance Fund is a portion of the Carroll Patriot Fund designated to help meet tuition affordability challenges. Thank you to those who responded to this plea and helped raise **\$136,867** for students in need.

FOUNDATION FOR THE FUTURE CAPITAL CAMPAIGN

An Archbishop Carroll High School education is truly a gift from one generation to another. For 60 years, Carroll has laid the foundation for thousands of young men and women to answer the call to be more and do more. This foundation would not be possible without the thousands of parents, vowed religious faculty, educators, and dedicated alumni and volunteers who have shown tremendous generosity and unwavering loyalty to Carroll since it opened in 1961. While the Patriot community's love for Carroll has not faded with time, our facilities have never been in greater need of renovation. Over \$5 million has been raised so far but more help is needed to modernize our campus so that we can continue providing an excellent Catholic education that inspires every Patriot to answer God's call. The 2021-2022 donations towards the Foundation for the Future Capital Campaign brought about two additional newly renovated state of the art science labs on the first floor to complement the two that were completed in 2021 as well as the Miller Family Science Center that we welcomed in the summer of 2020. We will keep our focus on our award-winning science program and renovate the remaining first floor science labs next summer to finish out this important project! Thank you to the generous lead donors who made this campaign possible.

"Our family was welcomed with opened arms by the Carroll community when our daughter, Mikayla, transferred in after her freshman year. We have watched her thrive at Carroll and for that we are so grateful! Carroll is rooted in the Catholic faith, challenges its students academically and provides numerous opportunities for extracurricular experiences through athletics, theater or its unique House System. We give to Carroll because we believe it is an investment in high quality Catholic education, one of which we see the value on a daily basis."

"We wanted a Catholic
 education for our children
 when we moved to the
 Dayton area, and Carroll
 made the decision easy
 and worthwhile. Carroll
 provided a positive
 community for our son,
 Brian. The premier
 education grounded
 in a foundation of faith
 separates Carroll from
 other schools in the area.
 We are so proud our son is
 a Patriot!"

"As a military family, we make supporting Carroll a priority because the people here have become an extended family for our kids. Through its fun and inclusive clubs, sports, Family Rooms, and House Systems, Carroll makes sure every student is nurtured and feels part of the community. Our kids are receiving an excellent education—but even more importantly, they are forging lifelong friendships with their dear classmates. We truly could not have asked for a kinder, warmer high school experience for our children than Archbishop Carroll High School!"

"Be kind and make good choices" has been our mantra for our children throughout their lives. Our children made a very good choice when they decided to attend Carroll. The academics challenge our children in a way that we know will prepare them for their lives after graduation. The smaller size of the school, Family Rooms and House System provide a sense of community which feels like home. We are very grateful to be a part of this community and because of that gratitude, we support the Patriot Fund. We hope that the little bit that we do today will help generations of Patriots to come."

"I confess to some nostalgia in the last few years. Things I haven't thought about for a long time are once again becoming important to me — the things we did along the way, things to be thankful for. Among those things is my time spent at Carroll and the education and relationships made there. I remember dedicated teachers and coaches, both lay and religious, who helped us through these very formative years. Our years at Carroll provided us with the Christian foundation and background to participate in and succeed in a difficult and challenging world."

"I choose to support Carroll for several reasons. I feel that Carroll prepared me academically for college and for life long learning. More importantly, Carroll instilled in me a sense of service and Catholic values. For these reasons my husband Jim ('71) and I also chose to send our three children to Carroll. It is important that we continue to offer these opportunities to students."

-Mary (Franz) Frommeyer '72, Parent of Elissa '98, Amanda '99, and James '05

"It is hard to believe that it has been 30 years since we walked out the doors of Carroll and into the world of adulthood. Please consider a donation to our Alma Mater to continue the progress that is being made and pay it forward for the education that we received all those years ago. Our family is seeing first hand what all of these changes are doing for the current student body, and we are fully on board to continue supporting Carroll's mission."

PARENTS OF ALUMNI

The continuing commitment made to Archbishop Carroll High School each year by the families of our alumni is greatly appreciated. This past year the school was beneficiary of support from both parents of recent graduates, as well as from families whose association with Carroll began decades ago. Thank you for helping us maintain our standards of excellence.

"I give to Archbishop Carroll High School because Carroll was, and still is, a very special place for me. Back in the mid 80's, I loved coming to Carroll everyday, not only to learn, but to make great friends and great memories. Now, 35 years later, I still come to Carroll everyday as an employee of the school. Though there have been many changes since we roamed the halls here, Carroll still offers young people an excellent community to make great friendships, great memories, and, of course, get a great education."

"Archbishop Carroll High School and the Patriot Community have proven a lasting and very important part of our lives. Even beyond graduation, we continue to be blessed by the friendships and opportunities provided to us and our children as a result of being a part of the Carroll Family. It is our honor to give back and contribute in some way to ensuring the blessings Carroll has brought to our family can be enjoyed by future generations of Patriots as well."

-Dustin '97 & Theresa (Davies) McClothen '97

“Carroll invests in its students and community and believes strongly in the character and personal development of our students above all else. I strongly believe in the culture created by the Carroll community and the way that it establishes a foundation of faith, service, community, and academic success for our students. Having attended Carroll, taught in public schools, and returned to teach at Carroll, I’ve been exposed to the true value of all that Carroll is and stands for, both as a student and educator. The benefits Carroll offers our students is beyond measure and comparison.”

DID YOU KNOW THAT 9 OUT OF 10 COMPANIES OFFER A MATCHING GIFT PROGRAM?

Annually an estimated \$2-3 billion is donated through matching gift programs. Corporate matches of employee donations are 12% of total corporate cash contributions. An estimated \$6-\$10 billion in matching gift funds goes unclaimed per year. To help Carroll donors maximize the impact of their generosity, we are partnering with a service provider to make it as convenient as ever to find and process your company match to DOUBLE THE IMPACT of your generosity. This exciting upgrade is available now at www.carrollhs.org/giving/givetoday.cfm.

You can also find out more information about matching gifts from your employer's personnel office.

"From the rigorous science classes to the connections within the Carroll family allowing me to shadow a CRNA, I'm incredibly thankful this paved the way to my career as a Nurse Anesthetologist. The leadership opportunities and community involvement at Carroll enabled me to grow as an individual and healthcare provider. By giving back to Carroll, my hope is that it will set the foundation to enrich the experiences of students for generations to come."

"I am extremely proud of and grateful for my education at Carroll. The teachers support students with great care, preparing them to solve novel problems across a variety of disciplines, from STEM to the humanities. Additionally, students develop a strong sense of community since Carroll offers a plethora of ways to get involved. So many opportunities for finding your place exist, and accordingly, students emerge as polished human beings and leaders. I truly believe in the efficacy of CHS and urge you all to continue to support its mission."

"I have loved Carroll High School ever since I stepped foot on campus. The community that is present here is beyond compare, and it shows tremendously. The teachers, especially during COVID, dropped everything to help the students which allowed us to continue our education in ways that were unimaginable at the time. This has prepared me for the future by allowing me to learn in many different ways."
 -Jakob Burdick '22

"I am eternally thankful for my challenging and well-rounded Carroll education. I appreciate how varied the school body is and all of the different opportunities present. Everyone can find something that they're interested in and are encouraged to branch out and try something new. Academically, Carroll provides demanding courses that help me think critically about problems and approach obstacles from new angles."
