Carroll Career Discovery Program

PASSING THE TORCH ALUMNI SPEAKER SERIES

Emily Kronenberger
CHS Class of 2011

Assignment Editor/Content Center Lead: FOX13 (Memphis, TN)

Emily is an Assignment Editor/Content Center Lead for FOX13 for *Good Morning Memphis* that is on air each day from 4:30 a.m. until 10:00 a.m. She is at work starting at 3:00 a.m. and is in charge of finding stories for reporters, confirming stories, reaching out to sources, assigning stories to reporters and photographers, listening to dispatch scanners, assigning web stories to the digital team, coordinating crews, and making sure all FOX13 reporters are safe.

Emily grew up in Riverside just two blocks from Carroll with her dad, Eddie (Carroll Class of 1983); mom, Amy; sister, Katie (Carroll Class of 2016); and brother, Aiden (Carroll Class of 2022). She attended Sinclair Community College, Wright State University and Ball State University. She has lived in Memphis since October of 2019. She has also lived in Wyoming and studied abroad in France.

Emily's favorite Carroll memory is hard to determine! She was a statistician with the men's soccer team and was with them for the last four state championships (the last one was with her sister). She loved being in Carroll Drama, being a student trainer, taking part in French Club, etc. She also loved having teachers that her dad and six of her cousins had, including teachers that her dad graduated with!
